THE MINIATURE PINSCHER CLUB

PENCIL MARKS

SUMMER 2009

PRESIDENTS PEN

Well, the shows are off and running now and new Champions are strutting their stuff! Well done and enjoy every minute of it! Let's hope the Weather is better than the past year, now we are going to be outside at shows, there is nothing worse than showing in dark tents. "No Rain Please" or the KC will be asking for webbed feet in all breeds!! It is so nice to see so many Members at the AGM and top Dog competition, and a BIG Thank You must go to all the organisers and helpers, we really do appreciate you and all our Officers and Committee that work all the time for us THANK YOU!!

Again I must emphasise, do think carefully about breeding, make sure there are enough good homes out there. With the credit crunch going on things are not so good for animals in general, give a ring to, or, send a card to your older dogs to make sure everything is OK with them too it puts your mind at rest to see if they are OK. Ask our Secretary Harriet McLean if she is getting calls for Puppies, this maybe good advice before you decide to breed, so at least you have homes ready and you can also vet the homes, so that your new puppy goes to the right owners.

Well, have a lovely year Members here and Overseas!

Good Luck to you all!

Heather
President

Secreterial Scribblings

Dear Members,

I am sitting at the computer on a lovely sunny day with sunshine and beautiful blue skies! Hopefully this a sign of things to come and when you read this letter, you and your Pins are enjoying a spot of sunbathing!
Last year I wrote about Mandy and Adrian's wedding and this year we have a new addition to the Min Pin extended family in the shape of their beautiful little daughter Ayla Ruth! I am sure there will be a photo somewhere in this issue!
Sadly we have to say goodbye to old friends as well with the passing of Arthur Budge, Paul Spence and Pat Robinson. Pat had been living in Tenerife for the last six years with Bikkits and Foggy who are now back home to much colder climes with me but settling in very well after a sticky start. The vet in Tenerife gave them the wrong tick and tapeworm treatment and that meant a few days in quarantine until they were properly treated!
This year's AGM ,followed by the Min Pin of the Year and Puppy of the Year events, were well attended and judged by breed specialist David Gentle and all-rounder Mrs Rita Morgan.
The winners will feature in this edition of Pencil Marks.

May I remind you that Pencil Marks is your newsletter and we would love to hear from members whom we don't meet around the ring. Sharing your experiences and anecdotes about your Pins are always welcome and you can get in touch with our editor Di Gentle at any time.
A reminder again, that the Club has it's own website - www.miniaturepinscherclub.co.uk - looked after and updated by member Liz Porteous -Thompson. If you have any feedback or ideas for the site we would love to hear from you.

lizanthe@aol.com or macminpin@aol.com

with best wishes for the rest of 2009 to all members.

Harriet

Letter from The Editor

I hope by the time you receive this Newsletter that you and your dogs are well. I am hoping to see you all with Suntans at the next few shows. I know that I have got a fab suntan, just by having a week away at Border Union and Blackpool.

Another sad passing of a couple Min Pin Members, Pat Robinson of the Palidew Affix, for those who did not know Pat she was a very colourful and vibrant Lady, I had a lot of banter with her over the years, and I am sure that those who knew her will miss her a lot. Although Pat did take up residence in Tenerife, so she was not so much on the show scene over here for a while. Condolences, also to Jenny Spence of the Jaycroft Affix on the loss of her Husband Paul who was also a Member but did not actively show, but he was always seen around the ring supporting Jenny and her dogs.

Just a word of concern, E-Pupz, although the Guys who are running it, from what I have heard, seem to be reputable, be careful!!! There are too many Pin pups being advertised on here for horrendous prices! It is very sad that the General Public are being caught out by people who are just breeding to make money.

I hope that you all have a great rest of the year showing and loving your dogs.

Dear members.

As you can see from the list below the club have amassed many trophies over the year through very kind donations, unfortunately this is now becoming increasingly difficult to monitor so for that reason the committee have decided to scale down the amount the club hold. If you have donated a trophy and would like it back please contact any of the committee, if however you decide that you donot wish to have it back then we will be holding a *Silent Auction* in the near future ..... Miniature Pinscher Club Seminar

Following the success of last year's seminar, the Club is proposing to hold another in 2010, if there is sufficient interest.

Do you want to add a 'hands on' judging assessment to your CV?

Do you just want to come along and learn more about the breed?

Whatever you require, you will be made most welcome and we are sure you will enjoy and benefit from your day!

A delicious lunch and coffee breaks will be provided and it is expected that the seminar will be held in a central location (Birmingham area) and will last from around 10am until 4 pm.

At this stage, expressions of interest can be made to the secretary

The Miniature Pinscher Club held the Miniature Pinscher of the Year and the Puppy of the Year event at Mappleborough Village Hall on March 22nd 2009. The venue was excellent with a good atmosphere and well organised.

This was a very nice appointment to Judge especially on Mothering Sunday. My C-Judge Mr Dave Gentle and I had a very agreeable time judging. May I thank all the exhibitors for entering such a quality entry and for being so sporting.

The winner of my Adult section was Smith-Wilson's Impala Follow The Sun to Hillspan. J.W. Quality animal, very balanced, excellent head, nicely chiselled, good body, deep chest, sound on the move, in gleaming condition. Reserve Min Pin of The Year only beaten on the maturity of the winner.

We then had a break where we were all treated to an excellent lunch after which we commenced the puppies.

The Puppy Section winner was Coull's Vardenais Just a Thought. Another very promising animal in fact both my winners shared the same sire. This again was a very sound healthy animal. Reserve BMP of the Year.

Thank you for the gift which I will remember the event with, especially in later years. Wishing you lots of luck in the future with these very nice dogs.

Before leaving we were treated to more refreshments, especially the gorgeous scones, I wish I could make them like that.

Thank you all for a lovely day from both of us.

Nelleesh Ay Miracle at Layjay

A miracle Benny certainly was
The vet gave him up as a canine lost cause

But a lot of love and sleepless nights
Set this fragile boy to rights

My Jimmy had been there, near lost the battle himself
And only with courage had he got back his health

Now he saw in this pup, determination to live
And gave little Benny all the love he could give

Love worked, the pup made it, he grew big and strong
Jimmy said that he knew that, all along!

Benny showed really well and loved in the ring
But sometimes like minpins, he'd do his own thing!

Two tickets then Jimmy was ill again
So ill, it became a question of 'when?'

Before he died Jimmy made me promise one thing
Try to make Benny up, go back in the ring

He's made history this minpin, my man's pride and joy
A chocolate champion at last, Benny his boy

But I wasn't alone with this miracle lad
Jimmy whispered, 'Hey Brenda, that wasn't half bad!'
